This initial solicitation provides for the submission of documents and forms intended to verify that bidders meet or exceed the minimum requirements in this solicitation. Prior to, or upon completion, of that initial term, the County shall have the option to renew any contract resulting from this solicitation for one additional two (2) year term. Bidders shall maintain, for the entirety of the additional period, the same terms, and conditions of the originally awarded contract.

**SECTION 2**  
**SPECIAL CONDITIONS**

Should a bidder decline the County's right to exercise the option period, the County may consider the bidder in default which shall affect that bidder's eligibility for future contracts. Any options to renew will be restricted to the specific items of work initially awarded to any specific bidder.

**2.6 METHOD OF AWARD**

**2.6.1 Method of Award Summary**

Award of this contract will be made to responsive and responsible bidders who meet the minimum requirements set forth in this solicitation. Awarded bidders will be placed on a "Pre-qualified Bidders List", which will be accessed by the County, as needed, to obtain Spot Market quotations. To facilitate the quotation process, the pre-qualified bidders will be categorized according to the type of landscaping or gardening materials they can provide.

**2.6.2 Minimum Requirements:** In addition to other requirements included in this solicitation, all bidders shall meet or exceed the following requirements to be considered for award:

**2.6.2.1** Maintain an office equipped with modern office equipment, especially a facsimile (FAX) machine or an e-mail address. Either resource must be available twenty-four (24) hours a day to provide immediate support and expedite quotations.

The County, at its sole discretion, may choose to request additional information to assess the bidder's experience.

**2.6.2.3** Have no un-resolved performance issues with Miami-Dade County. The bidder's performance in ongoing or previous County contracts will be taken into account when evaluating the bidder's submittal for this solicitation. Miami-Dade County may survey County departments to ascertain that the bidder has no unresolved unsatisfactory performance

- 2.6.2.4 Categorize and list the landscaping or gardening materials that will be available to the County.

2.6.3 Spot-Market Purchases

2.6.3.1 Guidelines

When a spot market purchase is initiated, pre-qualified bidders shall be invited to offer a fixed price for a specific individual purchase. The pre-qualified bidder offering the lowest fixed price on the total amount of the order shall be awarded the order, provided that the offer made by the pre-qualified bidder meets the order's specifications and requirements. The award of the order to one bidder does not preclude the ability of the remaining pre-qualified bidders from submitting offers for other orders as requested by County departments.

2.6.3.2 Emergency Situations

In the best interest of the County, a pre-qualified bidder's willingness and ability to expedite a purchase may be used as a deciding factor for the basis of an award when a project is time sensitive, or it is an emergency situation. This provision does not preclude competition within the contract. Whenever possible, user departments will obtain guidance from the Department of Procurement Management prior to placing an order under this provision.

2.6.4 Proof of Compliance to the Solicitation's Requirements

Bidders are required to submit, with their offer, all the specified information, documents and attachments as proof of compliance to the solicitation's requirements. However, Miami-Dade County may allow bidders to complete or supplement their proof of compliance to the solicitation's requirements.

2.6.5 Verification of Information

The County reserves the right to verify the information submitted by the bidder and to obtain and evaluate additional information, as it deems necessary to ascertain the bidder's ability to perform under the contract. The County shall be sole judge of the bidder's ability to perform under the contract and its decision shall be final.

2.6.6 Total Number of Pre-Qualified Bidders shall be determined by the County

It shall be the sole prerogative of the County as to the total number of pre-qualified bidders on this contract. During the term of any contract resulting from this solicitation, the County reserves the right to receive and evaluate additional submittals, and add pre-qualified bidders to the contract award. If the County elects

No grace period shall be honored unless written authorization is issued by the originator of the order and a recommitted date is established. The bidder shall not invoice the County for back ordered items until such back ordered items are delivered and accepted by the County's authorized representative. It is understood and agreed that the County may, at its discretion, cancel back orders, in writing, after the recommitted date has lapsed and seek the items from another contract bidder, based on the lowest price quote, or to acquire the items from a separate solicitation and charge the original bidder for any directly associated re-procurement costs.
